1. Share a time you gave or received a card, handwritten letter, or other “special” communication? To/from whom? For what reason?
2. We can sometimes ignore God’s presence when we’re surrounded by others and the busyness of life. How can you use this time of “spatial distancing” for God to remind you of His presence?
3. Read [John 13:1-17](#). Jesus took action. He calls us to action. Who is someone (neighbor, classmate, or friend) who you can take action and serve this week? What will you do?
